Professional Fees Wexford Insurances

A fee is a payment for professional services and expertise provided by Wexford Insurances. The amount of any fee will be discussed and agreed with you in advance of all transactions.

Fees may be set per the schedule undernoted or we offer an hourly rate also outlined below.

Fees may be subject to change should additional factors arise (i.e. level of risk, urgency of transaction). This will always be discussed and agreed in advance of transactions being placed.

Professional Fees are non-refundable in the event that a policy is cancelled.
